The Hidden Cost of Studying Abroad the Conventional Way

Every year, Indian students take ₹50L–₹1Cr education loans to study abroad — not knowing that **20+ governments** actively offer tuition-free or ultra-low-cost degrees to international students. The only barrier is awareness.

- ❏ 20+ countries offer foreign degrees **completely tuition-free**. The knowledge gap is the only barrier.

Four Countries. Zero Tuition. World-Class Degrees.

Germany — ₹0 Tuition

Free at public universities in 15/16 states; semester fee €150–€350 includes a transit pass and access to the elite TU9 engineering network.

Norway — Free Research Programs

Tuition-free English programs at select public institutions with top research infrastructure and strong post-study work prospects.

Austria — ~₹66k/Year

Just €1,450/year at top-ranked Vienna public universities — the most affordable fee structure in all of Western Europe.

Czech Republic — Free in Czech

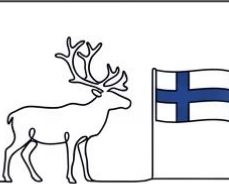

All Czech-language programs are 100% tuition-free; one year of language prep unlocks a full degree at zero cost.

The Global Low-Budget Education Network

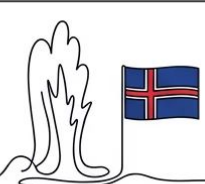

Beyond the flagship four, **16+ more countries** offer zero-tuition or deeply subsidized public university education — a worldwide network of loan-free degree pathways for Indian scholars.

3 Steps to a Loan-Free Admission

Public universities run on strict intake calendars. Early execution across all three phases is non-negotiable.

Key Takeaways

Rethink Student Loans

20+ countries offer free or ultra-low-cost higher education. You don't need a ₹50L–₹1Cr loan to study abroad.

Germany Leads Tech Education

15/16 German states offer 100% tuition-free public university education, including the elite TU9 engineering network.

Plan for Living Costs

Free tuition ≠ zero planning. Governments require proof of living funds (blocked account) for student visa approval.

End-to-End Guidance. Zero Gaps.

Profile Architecture & Exam Planning

Map your academic background to the right global path with optimal IELTS/TOEFL/SAT timelines.

Strategic University Shortlisting

Match your profile to a custom shortlist of globally ranked zero-tuition universities in high-ROI fields.

Complete Application Execution

Full documentation management: transcripts, SOP drafting, and portal submissions to international standards.

Visa & Financial File Architecture

Structure your blocked account and financial proof to maximize embassy approval probability.

Pre-Departure Orientation

Briefings on local laws, part-time work, medical insurance, and currency management before you board.

Post-Landing Support

Step-by-step checklists for accommodation, city registration, bank accounts, and senior student network access.

Ready to Study Abroad — Loan-Free?

Don't navigate public university portals, language requirements, and credit conversions alone. Let **Globevail** map your profile to zero-tuition universities across 20+ countries.

Zero-Tuition University Matching

Match your profile to active public university openings worldwide.

Complete Application Execution

SOP drafting, document verification, and portal submission — fully managed.

Visa & Financial Planning

Blocked accounts, financial proof, and embassy visa filing — handled end-to-end.
