The Core Problem: Paying Too Much for Too Little

₹15L–

₹20L

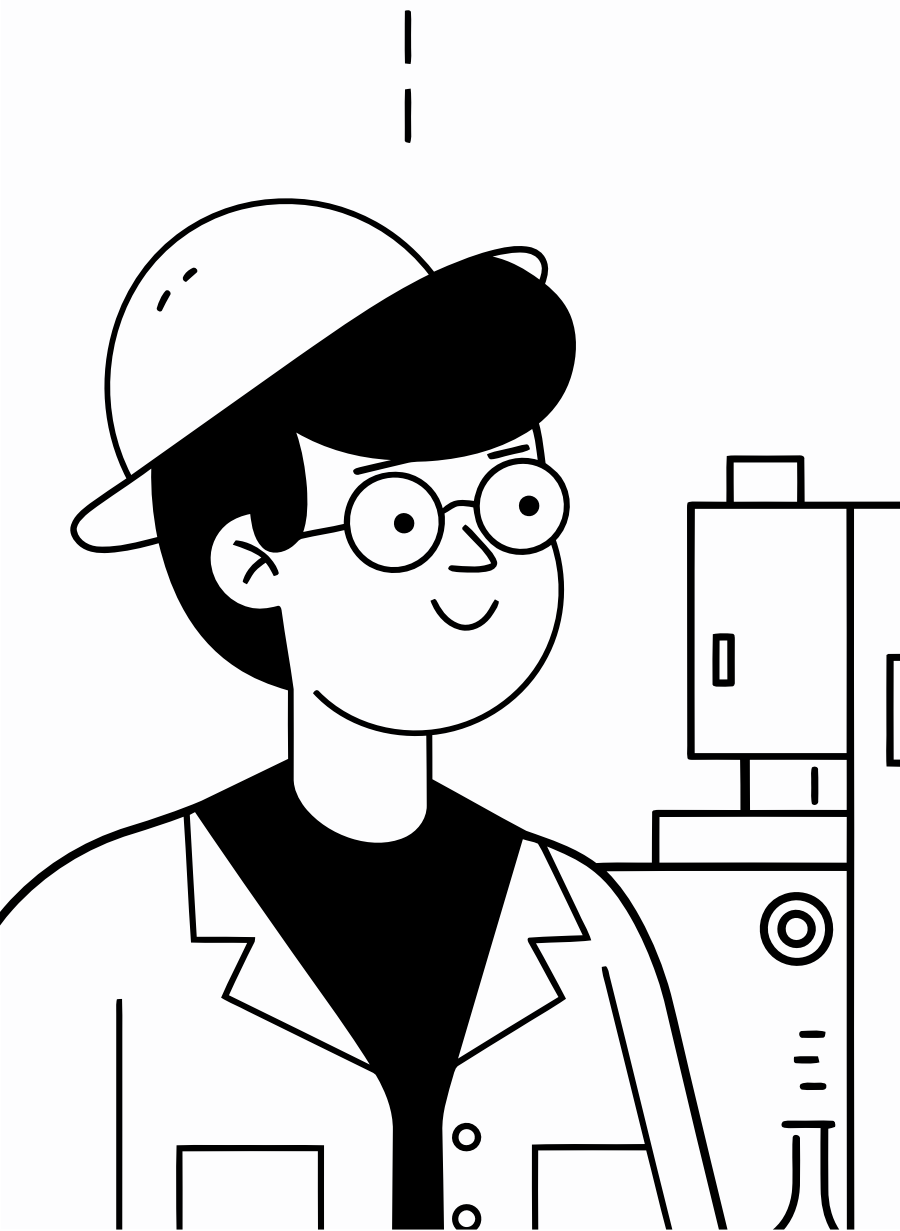

- Heavy education loans with compounding interest
- Depleted family savings
- Graduates enter a saturated job market already in debt

Average Indian Private University Cost (3–4 yrs)

 The debt begins before the career does — a structural disadvantage from Day 1.

Financial Comparison: India vs. Germany

Metric	 India	 Germany
Tuition Cost	₹15L–₹20L	₹0 (Tuition-Free)
Curriculum	Theory & Exam-Driven	Applied Research + Industry
Work Rights	Limited	20 hrs/week legal paid work
Post-Study Visa	None	18-Month Job Seeker Visa
PR Eligibility	None	After 21–24 months of work

Education That Works — Literally

Applied Industrial Learning

BMW, Siemens, SAP & Bosch
partnerships are embedded
directly into your curriculum.

Hands-On Lab Modules

Practical labs replace rote
exams so you graduate with real
engineering competence.

€0 Tuition

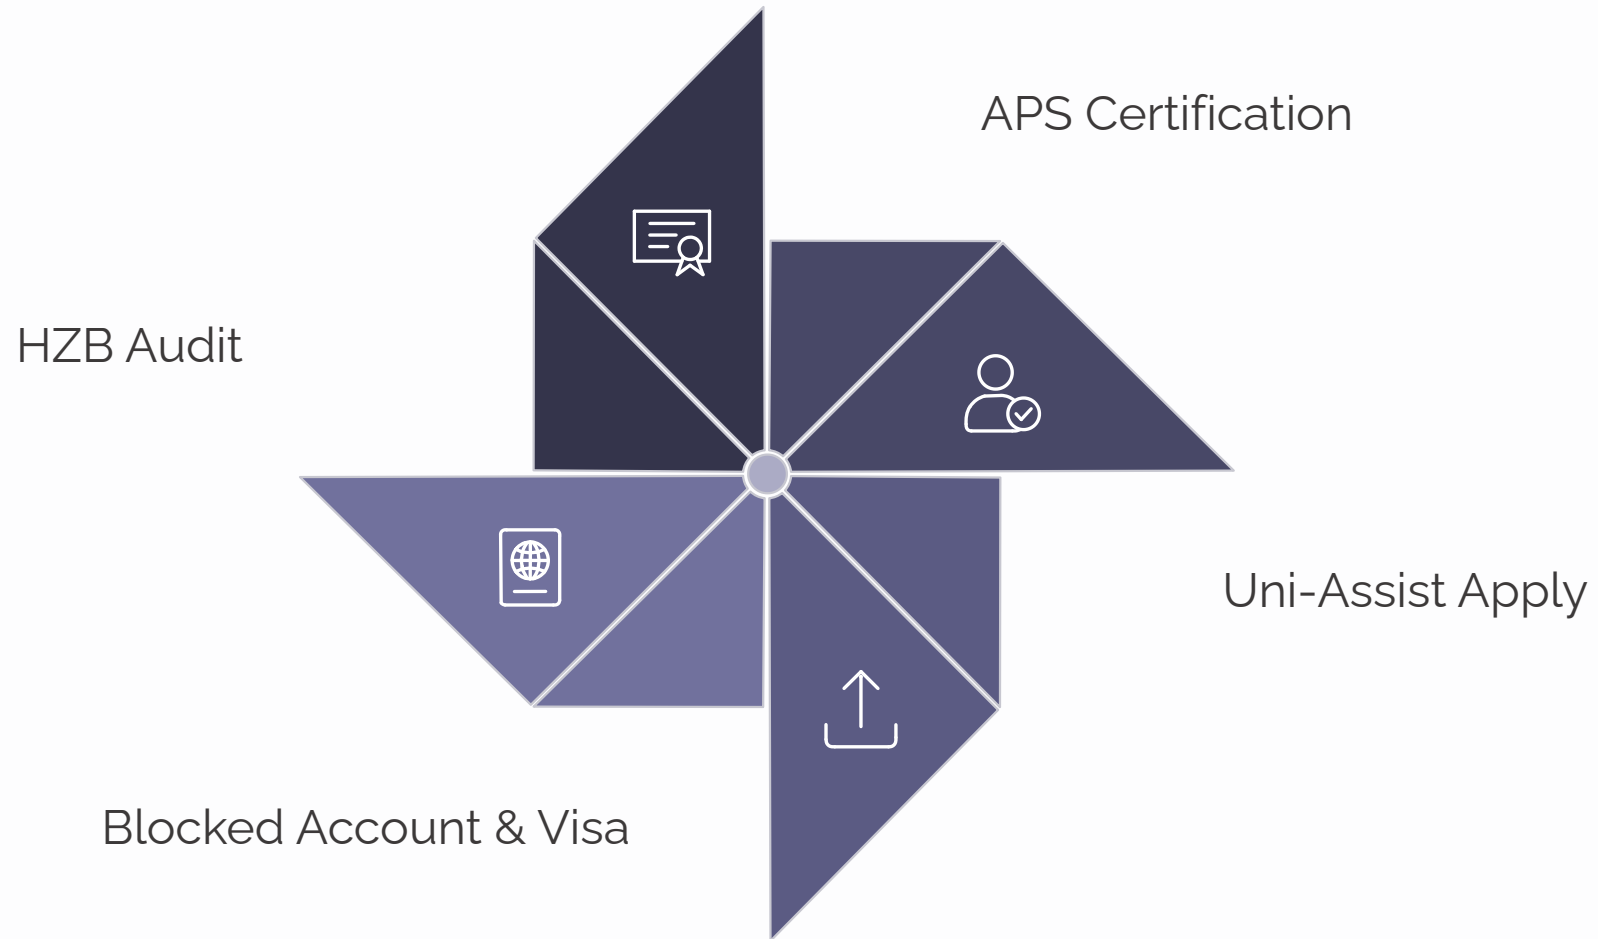

Only ~€150–€350/semester contribution, which includes a regional
transport pass.

Work Rights, Income & Financial Self-Sufficiency
